

Privacy Policy

Last updated: October 2025

Applies to: Meditheta Bot, Tribe Community, and meditheta.com

Meditheta (“the Service”) respects your privacy and is committed to protecting your personal information. This Privacy Policy explains what data we collect, how it is used, and your rights regarding your information.

1. Information We Collect

Meditheta may collect the following information:

1. Account and Identification Data:

- Telegram ID

2. Interaction Data:

- Responses to reflective questions
- Progress within meditation or self-development exercises

3. Technical Data:

- Device type and operating system (optional, for compatibility)
- Interaction logs to improve the Service

Note: We do **not** collect sensitive personal data, such as financial details, health records, or government identifiers.

2. How We Use Your Data

Your information is used **only for the following purposes**:

- Personalizing your meditation and self-development experience
- Tracking your progress through exercises or programs
- Sending optional updates or support messages
- Improving and maintaining the functionality of the Service

We do **not sell, rent, or share** your personal information with third parties for marketing purposes.

3. Third-Party Services

The Service uses third-party platforms for payments, hosting, or analytics, such as:

- **Telegram** (bot operation)
